To whom it may concern,

I am writing to you on behalf of River Jiang Arts who are applying for an arts and cultural grant to run a "Fathers Day and Chinese Autumn Music & Dance Show." on 7/9/2014 Sunday from 11am to 4pm. They work with CALD communities and youth, and in the past 3 years they have been conducting events in the City of Kingston, Monash and the City of Greater Dandenong.

They have an excellent team who have a passion to teach and spread the arts. The 'Strengthening Clayton and Clarinda Project' will support the project and seek to encourage the wider access of the arts in the South Eastern Suburbs.

The drama and performing arts project will assist with the continuing strengthening of the members of the communities of Dandenong and surrounding suburbs. The Strengthening Clayton & Clarinda Project supports this worthwhile application.

Yours Sincerely

Colin Bostock
